Remarks

Welcome to the great city of Maricopa. This stunning 2023-built two-story home, offering over 3,000 square feet of modern living space. This energy-efficient home features a solar system and a gas tankless hot water heater. With 5 spacious bedrooms, including an in-law suite, and 3.5 beautifully designed bathrooms, there's plenty of room for family and guests. The gourmet kitchen is a chef's dream, complete with dark brown cabinets, granite countertops, and a large kitchen island, perfect for entertaining. A custom-built wine bar and mini refrigerator area add a touch of luxury and sophistication to the space. Don't miss this incredible opportunity to own a contemporary, energy-efficient home with premium features! Thank you for your time.
